

Northlake Fire Protection

Residential Knox Box Emergency Contact List

Owner Name	Date
Phone	Alternate Phone
Address	

Please list up to two additional contacts that have authority to make emergency/financial decisions and may be reached after hours in the event of an emergency if you are not available.

Contact #1

Name	Relationship
Phone	Alternate Phone
Home City	

Contact #2

Name	Relationship
Phone	Alternate Phone
Home City	

By signing this, you the homeowner, allow the Northlake Fire Protection District to access your house in time of emergency. If locks are changed and to prevent damage to your home, you must call the Northlake Fire Protection District to update the key in the Knox Box. It is understood that on occasion, (i.e., other emergency calls in town tying up NLFPD units), mutual aid towns responding to an emergency call to your home will not have the Knox Box key and damage may occur in emergencies.
